INTRODUCING

# ***We are all travellers on the journey of life ...***

THE PATHS WE TRAVEL DON'T ALWAYS  
LOOK THE SAME. SOME ARE SMOOTH  
AND STRAIGHT, OTHERS ARE WINDING  
AND BUMPY.

BUT NO MATTER WHAT TYPE OF ROAD WE  
FIND OURSELVES ON, JESUS MEETS US  
ALONG THE WAY. HE INVITES US TO WALK  
WITH HIM FROM WHEREVER WE ARE AT, TO  
PLACES WE NEVER IMAGINED POSSIBLE.

FELLOW TRAVELLERS, LET THESE SONGS  
INSPIRE YOU ON YOUR JOURNEY AS  
YOU MEET THE ONE WHO ALONE CAN  
ILLUMINATE YOUR PATH WITH CERTAINTY  
AND HOPE FOR ETERNITY.

## ABOUT OUR LOGO

This flowing shape represents the path of life that we are on as travellers.

The circular shape on the right of the logo, symbolises the earth, our place of travel, and the way we can sometimes feel on the road - that we keep going around in circles and never get anywhere.

There is a slight textured look which represents our sin and imperfections, and that the path we travel isn't always easy.

Out of the circle comes a cross shape that flows around to the left, almost creating the Christian fish (ICHTHUS). It reminds us that Christ comes and intersects our path, meeting us wherever we are.

The continuity of the shape is similar to an infinity symbol. Here it symbolises Christ's eternal love for us and the eternal life we have when we travel the road with him.
