REMEMBER this week

Every pain, every brokenness, every ruin that litters our lives is known by God and dealt with by God. Jesus himself bore our sicknesses, and he carries our pains, that everyday the balm of his love may bring healing that is effective now and continues for eternity.

VERSE of the week

I will not forget you! See, I have engraved you on the palms of my hands; your walls are ever before me.

Isaiah 49:15b-16

THOUGHT for the week

"How sweet the name of Jesus sounds, in a believer's ear!
It soothes all sorrows,
heals all wounds,
and drives away all fear.

1 lets SHARE

1. Share your highs and lows.
2. Share a time when you forgot something or someone in your family? How did it feel and what happened?
3. What's the worst physical hurt or injury you have ever received.
4. How long did it take to heal from that injury?
5. What are the things in the world or your life that make you hurt today?
6. There is no wound, hurt or sin that the love of Jesus has not healed. Think of someone who is hurting now. What can you do as a family to be a light of Jesus that brings healing and hope to them?
