

Living Out Loud

every night...every home

29th December 2019

living sharing growing

REMEMBER this week

Only when you are ready to die, are you ready to live. Without fear or regrets. When you are secure in the salvation and peace that the Christ-child gives, you're ready to live on the edge - loving fully, forgiving freely, sharing boldly and risking confidently. Christ gives you the strength to really go in 2020!

VERSE of the week

"Sovereign Lord, as you have promised, you may now dismiss your servant in peace. For my eyes have seen your salvation, which you have prepared in the sight of all nations
Luke 2:29-31

table GRACE

God of eternity and
God of grace

Fill us with patience in this place.
Bless this meal and our New Year too
as in your Son Jesus,
all your promises come true.
Amen.

THOUGHT for the week

**"Once in our world,
a stable had something in it that was bigger than our
whole world."**

- C.S. Lewis

1 lets SHARE

1. Share your highs and lows?
2. What is the largest number you can think of?
3. How much do you think the World weighs? How could you find out?
4. Some things are really big and hard to measure. God says if we trust in Jesus we will live forever? How long is forever?
5. Can you think of anyone that you would want to spend forever with?
6. We may not be able to understand what forever is really like, but God tells us he wants to be with us forever. How much do you think God loves you if he wants to spend forever with you?
