

• This RoadMap Forward is indicative only and must be read in conjunction with relevant Government Guidelines at the time. The Leadership Team will keep monitoring the situation and update as necessary.

• We encourage LifeGroups to meet in a way that suits that group. Please check with your group leader who are empowered to gather their groups as is comfortable and as the restrictions allow.

• We encourage you to start inviting people into your homes to watch the LiveStream together adhering to the restrictions on numbers allowed. We will continue to run courses online and return to normal ministry as restrictions ease.

• Out of love for others, if you are unwell, have a cough, runny nose, please do not come to any activity at the church once we are back onsite. We want to make sure that LifeWay is a safe place for all.

THE ROADMAP FORWARD as at 20 June, 2020
