

Living Out Loud

every night...every home

12th May 2019

living sharing growing

REMEMBER this week

Worship not only unveils the beauty of a God who loves us, is for us, and living in us but it fills our lives with a new song that brings life, hope, strength and trust in every circumstance of life. The daily act of living becomes an act of worship that proclaims to the world that there is nothing of greater worth than Jesus Christ.

table GRACE

Thank you for the world so sweet (hum hum)
Thank you for the food we eat (yum yum)
Thank you for the birds that sing-along
-along(tweet)
Thank you God for every thing
Amen

VERSE of the week

"You are worthy to take the scroll and to open its seals, because you were slain, and with your blood you purchased for God persons from every tribe and language and people and nation. You have made them to be a kingdom and priests to serve our God, and they will reign] on the earth."

Revelation 5:9-10

THOUGHT for the week

The highest form of worship is the worship of unselfish Christian service.

The greatest form of praise is the sound of consecrated feet seeking out the lost and helpless.

1 lets SHARE

1. Share your highs and lows?
2. What is your favourite thing to do?
3. How does it make you feel when you are doing your favourite thing?
4. What is something you are thankful for?
5. Why are you thankful about it and who could you actually thank?
6. God gives us lots of things. What are some things we can thank God for?
7. Sometimes when things seem bad, making a list of the good things we have helps us feel better. Talk about all the good things God has given you. You might like to make a list and stick it somewhere in the house to remind you of all the good things God does.
