

Living Out Loud

every night...every home

28 April 2019

REMEMBER this week

Living in Christ means there is nothing too great for God's love to handle or too insignificant for his love to embrace. It's a reality that says from beginning to end, God is in control and his powerful love is transforming everything... our past...our future... and how we live right now.

table GRACE

Jesus, you are the living one who died but is now alive again. Keep our lives in your hands and sustain our bodies with the food which is before us.

Amen

VERSE of the week

Do not be afraid. I am the First and the Last. I am the Living One; I was dead, and now look, I am alive for ever and ever! And I hold the keys of death and Hades.
