WEEK 3 OF SERIES:

TODAY'S READINGS

Philippians 4:10-20

Matthew 6:25-34

If you are visiting with us, we extend a special welcome to you and invite you to stay for morning tea with us after the 9.30am service, or lunch after 'The Gathering' at Epping.

'The Hungry Mile' was a colloquial name that workers gave to a docklands stretch of road in Darling Harbour during the Great Depression. Maritime workers would walk from wharf to wharf in search of casual, low-paid day work. Success in gaining work meant money for food and shelter, failure meant going hungry. For 85% of Australians, food insecurity is not something we think about but for 15% it is a daily reality where praying 'Give us this day our daily bread' is a prayer for survival. Globally, 1 in 9 people live in hunger; 60% of those are women, a child dies from hunger related diseases every 10 seconds and 22,000 children die each day due to conditions of poverty. But what does it mean to pray this prayer for the majority of Australians who live in relative affluence? Today in the third part of this series **Prayer - from His fullness** we come face to face with 'The Father's provision' and discover the promise, faith, invitation and challenge that praying these six little words brings to our lives

PRAYER FOR THE WEEK

Father in heaven, in your goodness you pour out on your people all that they need so they lack nothing. Make us bold in asking, thankful in receiving, tireless in seeking, and joyful in sharing your gracious provision with all who are in need. We ask this in Jesus' name. Amen.

WE PRAY...

- With thanks to God for all his gracious and generous provision of all things in our lives.
- For all Christians, that we live with gratitude, contentment and generosity in our lives as a witness to our trust in what the heavenly Father provides for us.
- For the New Horizons conference in Adelaide this week, that God would bless, inspire and continue to shape his Church to take the good news of the Gospel to every nook and cranny in this country and the world.
- For those in Australia and around the world who daily live with food insecurity, that they may know the Father's care for all their needs.
- For God to use his people around the world "to feed" those in need.
- For peace in Hong Kong amid all the riots and protests that are taking place at this time, that God's Kingdom may come and his will be done.
- For Politicians that they may be wise in their leadership and ensure that all in this country have enough to eat.
- For the sick and those in need in our LifeWay family - especially Matthew Kassulke, Jenny Schneider, Emily Cooke, Hedi Krause, Erna Kutas, Audrey and John Scarce.
