Welcome to LifeWay! We are delighted that you are here on this Australia Day weekend as we conclude our worship series: **Everyday Epiphany**. Whether you are new to the area and checking us out, visiting with family or friends, or are a regular, we are thrilled that you are here and pray that everyday maybe one of those Aha moments when the light turns on and you see God's grace and love at work in your life. Here at LifeWay, God has called us to be a people who are living, sharing and growing in his life. Wherever you are at, we would love to walk with you in the next stage of your journey. Please fill in a visitor card at the door with your details and leave it with the ushers, on your seat or in the offering plate as we would love to acknowledge your time with us today.

FINAL WEEK OF SERIES

**Reading:**  
**Isaiah 9:1-7**

If you are visiting with us, we extend a special welcome to you and invite you to stay for morning tea with us after the service.

It's called the Second Coming Type and it's the largest display type used by newspaper editors around the world and saved for headlines of extreme importance; news that is earth-shattering, world changing and life-defining. If Isaiah was a newspaper editor, the words he speaks today would be written in 'Second Coming Type' for there is no greater news that needs to be told and the world needs to see. To miss this news is to confine lives to darkness. That's why Isaiah goes all out, placing the spotlight on this message so that the whole world can see it, hear it, hold it and pass it on. We'll also shine the spotlight on that today as we explore Light Reigns for this world-changing news will transform both your everyday and your eternity.

### PRAYER FOR THE WEEK

Jesus, light of the world, your coming to the world was the good news the world was waiting for. Your death on Calvary was the gift that transforms the darkness eternally. Come and ascend the throne of our hearts this day, that everyday we may live in the beauty of your gracious rule, your loving mercy, your endless compassion and your eternal victory that your kingdom of justice and righteousness may be seen throughout the world. We ask this in your name alone, for you are our light and our salvation. Amen.

### WE PRAY...

- With thanks to God for coming to reign in love and establish a kingdom of peace in this world.
- For all members of LifeWay that our life together as one Church in multiple locations may be strengthened and that Christ's love, grace and forgiveness may be clearly seen.
- For all Christians that the light of Christ may rule and direct our hearts in all things
- For world leaders that God's kingdom values of forgiveness, freedom and justice for all may be established and upheld for all people.
- For all teachers and students returning to school this week and for those starting for the first time, that God would bless their teaching and learning with many beautiful opportunities.
- For Kim and Christine Johns and their family as they mourn the loss of Kim's mother this past week that the hope of the resurrection may comfort them in their sorrow.
- For all ministries as they begin in earnest for the year ahead, that God would bless them, increase their impact, widen their reach and use them more powerfully to bring people into a saving relationship with Jesus Christ.
- For those in this community who need our prayers especially Emily Cooke, Jenny Schneider, Caitlin Toohey, Erna Kutas, Audrey and John Scarce.

## NEW SERMON SERIES BEGINS NEXT WEEK...

*Flying can be incredibly stressful for some. There are the prospects of cancellations and delays, long lines at security and cramped seats — not to mention the jet lag you may suffer on long haul flights. But there's also the excitement of the adventure as you leave the ground, take-off and explore new places, discover new people and participate in new experiences that continue to delight for years to come.*

*It's time to head to the airport and take-off on the next leg of the adventurous vision that God has given us. So join us for a new worship series that will prepare you for the journey you are a part of, get you through the airport without raising your blood pressure, and help you arrive refreshed and ready to embrace what God has planned for us.*
