

# Living Out Loud

every night...every home

17 June, 2018

## REMEMBER this week

Your life is worthy of a novel for you are a unique stone in the mosaic of God's story in this world. Share your story, listen to other's stories, for as you do God reveals his presence in the past and his power for the present. This gives certainty and hope for the future, no matter how many twists and turns the plot of your life takes. For God is faithful and he is able...always.

## table GRACE

Thank you for the world so sweet,  
Thank you for the food we eat,  
Thank you for the birds that sing.  
Thank you God for everything.  
Amen.

## VERSE of the week

Joshua said to the Israelites, "In the future when your descendants ask their parents, 'What do these stones mean?' tell them, 'Israel crossed the Jordan on dry ground.'...He did this so that all the peoples of the earth might know that the hand of the Lord is powerful and so that you might always fear the Lord your God."

Joshua 4:21,22, 24

## THOUGHT for the week

"When God does it,  
we do more than  
remember it -  
we celebrate it."

—Woodrow Kroll
