

Living Out Loud

every night...every home

1 July, 2018

REMEMBER this week

A sin problem is first and foremost a worship problem.

You can't cling to God if you are holding on to something else.

The victory you have today is not enough for tomorrow.

So confess your sin, give it up each day and live with a courageous faith in Christ who alone will give you the victory over every obstacle you face, big or small.

table **GRACE**
God of grace,
sustain our bodies
with this food, our hearts with
true friendship, and our souls
with your truth,
for Christ's sake.
Amen.

VERSE of the week

...each person is tempted when they are dragged away by their own evil desire and enticed. Then, after desire has conceived, it gives birth to sin; and sin, when it is full-grown, gives birth to death.

James 1:14-15

THOUGHT for the week

"The recognition of sin is the beginning of salvation."

- Martin Luther

1 lets SHARE

1. Share your highs and lows.
2. What's the worst thing you've ever done? How did it work out in the end?
3. What do you do when you make a big mistake? Run & hide, cover it up, or own up to it?
4. How do you forgive each other in your family?
5. God has chosen to forgive us. How does that help you forgive others?
6. Is there somebody you need to ask for forgiveness from or is there someone you need to forgive? What's stopping you?
