living sharing growing

REMEMBER this week
God has given you your spiritual gifts for a reason - to use them...like never before. When you play the special role God has called you to play, the effect is beautiful, stunning, & eye-opening to those who experience it, leaving people everywhere to declare, 'How awesome is God.'

table **GRACE**
**Bless, O Lord,
this food to our use
and bless us to your service.
Make us ever mindful of the
needs of others through
Jesus Christ our Lord.
Amen.**

VERSE of the week

There are different kinds of gifts, but the same Spirit distributes them. There are different kinds of service, but the same Lord. There are different kinds of working, but in all of them and in everyone it is the same God at work.

1 Corinthians 12:4-6

THOUGHT for the week

"Your spiritual gifts were not given for your own benefit but for the benefit of others, just as other people were given gifts for your benefit."

- Rick Warren

1. Share your highs and lows.
2. If you think of your family as a body, what part of the body is each family member and why?
3. What is the best team you've been a part of and when is a team at its best?
4. What are some of the gifts and abilities God gives to us?
5. Spiritual gifts are like presents - they need to be unwrapped and used. What stops people from unwrapping their gifts? What stops you?
6. How could you use your gift to build up the Church and bless others?
