REMEMBER this week

Families are a microcosm of our faith; they are conduits of God's grace to humanity. For it is in families that God's empowering love is seen on the front page of life. In the rough-and-tumble of living life together we learn how to give and receive unconditional love, forgiveness and grace and demonstrate to everyone how God works in this world.

table GRACE

Be present at our table, Lord;
be here and everywhere adored.
Bless these your gifts and grant that we may let your love flow in our family.
Amen.

VERSE of the week

**Love...
always protects,
always trusts,
always hopes,
always perseveres.
Love never fails.**

1 Corinthians 13:7-8a

THOUGHT for the week

"The shape of true love is not a diamond, but a cross."
